**We are looking for you to join our international team of
successful Chip Design and Verification Engineers in our
Chipglobe Munich GmbH or ChipGlobe doo Belgrade Design Center**

Senior RTL Design Engineer (f/m/d)

ChipGlobe is focusing on Design– and Verification Consulting with both Insourcing (at Customer premises)
and Outsourcing (ChipGlobe Design Center) working models. Our teams work in a global setup with ASIC design, verification and
software teams in major semiconductor companies, focusing on markets in automotive, telecommunications, security and
networking. ChipGlobe headquarters is located in Munich, Germany with a ChipGlobe Entity in Singapore and a ChipGlobe Design
Center in Belgrade, Serbia and Ho Chi Minh City in Vietnam. We are more than 70 experts with an experienced management team.
Based on the strong experience of our staff we manage and execute projects in a well-communicated, success-proven and
sustainable way. We love what we do and we do what we love.

ChipGlobe Offering:
